

Warrior Club

Purpose of the Clovis Christian Athletics Warrior Club

The purpose of the Athletics Warrior Club is to support and promote student athletes and athletics at Clovis Christian Schools, and exists to lift up Clovis Christian's mission as an Athletics Program. That mission is to provide a competitive, Christ-centered sports program that challenges each student spiritually, physically, and mentally, by teaching life principles that will help each student become a productive and responsible young adult.

Would you like to join with other families, businesses and individuals by publicly supporting our Christian athletes and sports here at our school? If so, not only would you or your business receive appreciation and exposure, but more importantly, your support of the Warrior Club will directly provide you with an opportunity to be a part of the mission of our Sports Program: To assist with each student athlete's spiritual, mental and physical growth, with the purpose of glorifying God through the performance and growth of each individual.

The Warrior Club and its supporters accomplish this purpose by providing funding and other support as shown below.

Support

Currently the Warrior Club supports, but is not limited to, the following, as we are a program continuing to grow:

- Assisting with Fall, Winter and Spring sports scheduling and programs, including coaching, assisting, fundraising, set up and tear down, etc
- Providing funding for many recurring sports needs: equipment purchases, field improvements, gym rental fees, etc, just to name a few
- Sponsorship of student athletes in need

Tax deductible financial support is vital to the success of any Athletics Programs, but there are many additional ways to support as a Warrior Club member, some of those are listed below:

- Financial support is tax deductible and all donations given to the sports program remain within the sports program
- Student sponsorship
- Volunteering as a coach or assistant
- Assisting with fundraisers: Helping with setup or tear down, or during the event itself, or by providing items for auctions or baked goods, etc

If interested in joining as a Club member, please contact me any time.

Thank you for your consideration.

Warrior Club - Sponsorship

The Armor of God is a reminder to us as Christians about the reality of spiritual warfare and describes the individual protection given to each of us by each piece of armor. Found in Ephesians, Paul uses actual pieces of armor worn by warriors of his time and repurposes them for use in spiritual warfare.

Paul is revealing to us that as we battle physically, we must also battle spiritually. This portrayal of a warrior is still valid today. A warrior needs every piece of armor to succeed on the field just as each Christian needs every piece of spiritual armor. By participating in the challenges of athletic competition, our student athletes are reminded that each one of them has the opportunity to grow in and guard their faith and resist and react to the attacks of the enemy.

As a Warrior Club member, you can choose either an Individual or Business Sponsorship, so choose below and click the link that follows to access our downloadable form. Each sponsorship will receive representation on our website and Business Sponsorship gifts of \$500 / year or more will also receive a Warrior Club banner to be posted publicly!

Thank you again for your prayerful consideration!
